**XAT-7™** ANABOLIC FAT BURNER!

is a new breed of fat burning supplement that encompasses seven scientifically based metabolic strategies to burn fat at its core, while creating an anabolic environment to protect muscle. Top Secret Nutrition® has pushed fat loss supplementation to an entirely new level with **XAT-7™**, assembling a totally unique combination of clinically studied ingredients to burn fat, spare muscle, and keep you feeling great during the entire process.

You already know the "secret" to losing weight: consume fewer calories than you burn. The unique combination of ingredients in **XAT-7™** approaches this simple but extremely complex concept by strategically targeting seven different factors that contribute to accelerating fat loss and protecting precious muscle.

**XAT-7™** helps to:

- Reduce Appetite\*
- Inhibit Digestive Enzymes\*
- Inhibit Fatty Acid Synthase\*
- Increase Lipolysis\*
- Increase Fat Oxidation\*
- Increase Metabolism\*
- Protect Lean Muscle Mass\*

No other product gives you the **POWER OF SEVEN** fat-fighting strategies.
