Welcome to Penang Malaysian / Thai Cuisine

Selamat Datang - Our way of saying Welcome

Penang is one of the 13 states of Malaysia. Its traditional culinary style is influenced by its 3 major Asian groups - Malay, Chinese and Indian. Feast on our wide range of exquisite Malaysian cuisine. Our favorite dishes are:- **Roti Canai** - a Malaysian Crispy Indian style pancake served with curry chicken as a dipping sauce. Even the best-known **Malay 'Satay'** - cubes of meat, poultry, marinated in a deliciously spiced sauce and then skewered on bamboo sticks, roasted over glowing charcoals, and eaten dipped in a peanut sauce --- differs in flavour from state to state. The basic pattern of Malay cooking lies in the preparation of "wet" spices (lemon grass, shallots, ginger, garlic, fresh chillies and turmeric) as well as "dry" spices (lemon grass, coriander, cummin, aniseed, cloves, cinnamon and cardomom). Malaysian curries are delicately flavored with various herbs and leaves such as lemongrass, galangal, fragrant lime, coriander and curry leaves. The main stay of every meal is a generous, steaming helping of rice, accompanied by a selection of dishes including fish, vegetables, meat poultry and sambal (shrimp Paste).

Terima Kasih ---- Thank You.

**** Dishes are medium spice / mild or hot available upon request.**
