USGA rules apply only some of the time

If you're playing in a non-competitive event feel free to:

- Kick your ball if you hit a bad shot.
- Have phun.
- Scoring is optional.
- If your ball went somewhere you didn't intend to hit it, it's ok to put it where you think it should have went.
- Laugh.
- Whoop it up if you hit a good shot.

If you're playing in a competitive event:

- Same as above (just don't let other players see you having that much phun).
- Really - you are out here to have a good time, stop reading these stupid rules.
