Gold Medal Gymnastics Rules and Policies

At Gold Medal Gymnastics (GMG), we are determined to provide all children with high quality gymnastics instruction. Their relationship with us will help them develop character as well as gymnastics skills. The success of Gold Medal Gymnastics will be measured in the children whose lives we touch.

The following Rules and Policies have been put in place to ensure every child gets the best experience while at Gold Medal Gymnastics. Though they are written, there may be additional Rules and Policies that each child will be asked to follow within the context of each class. In addition, these Rules and Policies may be amended from time to time without notice. For more information, please contact your gym directly.

<u>Session Registration:</u>	Your child is registered for a class only when full payment is made for the class. To ensure your child's spot is reserved from session to session, we offer the following registration guidelines.
<u>Early Bird Registration:</u>	In week 4 of each session, we provide a \$ 7.00 discount to families registering in advance for the next session. This advanced payment ensures your child's spot is held for the next session.
<u>Priority Registration:</u>	During week 5 and 6, we give priority registration to existing students in each class. Guarantee your child's spot in the next session by registering and paying for the next session. If full payment is NOT received during Priority Registration, we will assume you are NOT returning and your child's spot may be filled by other students.
<u>Open Registration:</u>	During week 7 and 8, class registration is open on a first come first serve basis. Once the class is full, registration for that specific class time will be closed.
<u>Make-up Classes:</u>	We offer one make-up per session. If you know you will be absent, please contact the gym immediately to schedule a make-up class. In the event there are no open classes to schedule a make-up during the session, GMG reserves the right to provide you an open gym pass in replacement of a make-up class. GMG does not refund, credit or prorate tuition due to absences. There are no make-ups for special events, camps, clinics or open gym.
<u>Class Cancellation:</u>	Classes are based on a minimum of 4 students. Classes that do not reach our minimum enrollment are subject to cancellation.
<u>Instructors:</u>	While GMG makes every effort to have a consistent instructor within an 8-week session, we do not guarantee that specific instructors will remain in their position each and every class. In all cases, whether an instructor is re-assigned, unable to work one week or has left our program, your child's class will be taught by a qualified GMG instructor.
<u>Parent Viewing:</u>	An upstairs parent viewing area is provided so parents and families can stay in the gym and observe their child during class. Sitting or standing in the lobby or pro shop is not allowed. Building doors, lobby areas, entrance gates, and passage ways must be kept free for students to enter/exit class and in case there is an emergency.
<u>Drop Off / Pick Up:</u>	For the safety of all children, parents should accompany their children in to and out of the gym. We do not allow children to be left unattended or wait for rides outside of the gym. Classes begin and end promptly on time and all children must be picked up at the end of their class.
<u>Family Discounts:</u>	You will receive a 10% discount for enrolling a second child in our program, and a 20% discount for each additional children. Discounts apply towards the class tuition of lesser amount.
<u>Registration Fee:</u>	An annual registration fee of \$ 25.00 for your child, and \$ 15.00 for each additional child is due each August. Registration fees are prorated your first year based upon when you initially register.
<u>Refund Policy:</u>	NO REFUNDS ARE GIVEN after the first class of any session. In the event your child is unable to participate in their registered class, we will make every effort to reschedule the class if necessary. There are no refunds for camps, clinics, special events or open gym.
<u>Email Communication:</u>	GMG, from time to time, sends updates, confirmations, information, and news to our families via email. We do not share your email with others nor send solicitations other than official GMG business and news.
