

- Contains no banned substances
- Contains premium-quality key ingredients in precise, clinically researched doses

Your body makes testosterone for muscle growth, strength gains and boosts in training performance. That's why a supplement that helps boost testosterone within the normal range can be beneficial. But don't be fooled by aimmicky testosterone-boosting supplements that make promises that aren't backed by research on humans.

MuscleTech® 100% Premium Testosterone **Booster** contains key ingredients shown in human clinical studies to increase active (free) testosterone and support total testosterone

levels. You can trust that MuscleTech® 100% Premium Testosterone Booster will help deliver the results you're looking for!

Take 1 serving (4 caplets) 30 minutes before bedtime on an empty stomach. Read the entire label before use and follor directions provided.

## **Subjects Increased Active Testosterone** - It Really Works

MuscleTech® 100% Premium Testosterone **Booster** has been formulated with a precise 200mg dose of boron citrate that supplies the researched dose of boron (10mg).

<sup>1</sup>A recent 2011 scientific research study on 8 healthy male volunteers showed that subjects taking this researched dose of boron significantly increased free (active) testosterone levels after only 7 days. 4

# **Supports Testosterone Levels with Zinc**

Adequate zinc levels help maintain optimal testosterone production within the normal healthy range. The zinc gluconate in MuscleTech® 100% Premium Testosterone Booster is a highly absorbable form of zinc, which is higher quality than other forms of zinc.\*

## Complete Formula!

MuscleTech® 100% Premium Testosterone **Booster** also delivers other well-known ingredients including one of the highest concentrated extracts of tribulus available (45% saponins) and fenugreek seed.

## **Contains No Banned Substances**

MuscleTech® 100% Premium Testosterone **Booster** works with the body to naturally increase testosterone levels within the normal healthy range. It does not contain any banned substances or ingredients. For all competing athletes, as with all dietary supplements, check with your association's governing body before taking this product.
