

RECOMMENDED USE

 = SERVING

- As a dietary supplement, take one softgel three times daily, preferably with a meal or use as directed by a physician or licensed nutritionist.

BENEFITS

Omega-3 fats are termed "essential" because your body cannot make them, so you must obtain them from food or supplements. Supplementing with fish oil may help:

- Support cardiovascular health*
- Promote overall health and wellness*
- Support normal, healthy immune function*
- Support brain, vision, and joint health.*

KEEP OUT OF REACH OF CHILDREN. PROTECT FROM HEAT, LIGHT AND MOISTURE. DO NOT PURCHASE IF SAFETY SEAL IS BROKEN OR MISSING. STORE AT 15-30°C (59-86°F)

***THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.**

PRODUCT INFORMATION

USN FISH OIL is a natural supplement filled with Omega-3 essential fatty acids (EFAs). Fatty acids are the basis of fats and oils, necessary for overall health. These specific fatty acids are termed "essential" because your body cannot manufacture them by itself. EFAs must come from food or supplemental sources. They are also essential because they are a component of every living cell in the body, and are necessary for rebuilding existing cells and the production of new cells.*

IMPORTANT NOTICE: For adult use only. Do not use if pregnant or nursing. Consult a doctor before use if you have a medical condition.
