The pre-game breakfast reception will begin immediately following the tour (**8:30am**) and will take place in the State Street Pavilion at Fenway Park. Breakfast will be served. A Red Sox representative will provide your gift bag at the event. The dress code is casual.

A current Red Sox player will attend the reception and sign autographs, pose for individual or group photographs and then participate in a brief Q&A session. We will announce who the player is as soon as we find out, but please be aware that the players' busy schedules often prevent us from finalizing our player until the day prior to the event.
