

You can have multiple people in the photo shoot if you'd like and there is no additional charge. If you have a large group, we recommend calling the studio nearest you to ask how many people they can accommodate in their studio.

Package includes eight portrait sheets total of the same image/pose, with two 8"x10", four 5"x7"s, ten 4"x6"s, and 16 wallet photos divided among them. No substitutions may be made.

We do not charge sitting fees so the only additional cost is the tax and if you decide to purchase any additional images/poses.

The photographer will take multiple poses for the shoot and you will be able to choose which image you would like for the package. You may also purchase additional portrait sheets for \$22 each and/or a high res cd with all of the images from your photo session for \$125.

Unfortunately, pets are not allowed. Sorry!

The high res cd with all of the images from your photo session and a copyright release is \$125 for Groupon customers. (List price is \$180)

The high res cd includes all of the images from your photo session and a copyright release. The number of images varies by session.

You may do 1 outfit change so you could have 2 outfits in the shoot (what they're wearing when you come in and 1 change)

You can have multiple people in the photo shoot if you'd like and there is no additional charge but you may only use 1 Groupon per day. The photographer will take multiple poses together and individually for the shoot and you will be able to choose which image you would like for the package. You may purchase additional portrait sheets.

No, you cannot also use your Portrait Rewards Club benefits.

Images are typically shot 40 x 60 inches at 72 dpi.

We typically take around 20 shots but this may vary depending on the number of people in the photo session.

The discounted prices are as follows: the high res cd with all of the images from your photo session is \$125 and the 12x24 frame is \$125 or you can purchase both for \$165.

Yes, you can still purchase this if you've used another Groupon with Picture People in the past.

This offer is valid at the Picture People studio located inside buybuy BABY in South Edmonton, Canada.

Yes, we do offer business headshots. In addition to the prints, you may purchase the business CD for \$90 and includes 3 high resolution images & the copyright release.

We do not have a set number of images that are taken during a session. It's usually around 20-25 but varies by session.

The photographer will take multiple poses for the shoot and you will be able to choose which image you would like for the package.

Yes, the CD includes a copyright release so you can use your images as you wish

Image resolution size: The images are 3520 × 2344 at 300 dpi

Unfortunately, once your Groupon is expired, you can no longer use it for the promotional value but you can always use your expired Groupon as a credit towards your in-studio purchase for the amount you paid for it.

Yes, you can purchase photo cards separately with one of the images from your session. The first set of 25 cards is \$30.00 and each additional set of 25 cards is \$25.00. They will be printed while you wait and comes with envelopes.

The Groupon offer cannot be used in combination with this or any other offer

The package does not include tonal enhancements but you can add them for an additional charge.

Unfortunately, we cannot extend the Groupon offer. The only extension we allow is if you make your appointment before the expiration date and schedule your session within 1 month. For example, you could make your appointment on 5/1 and schedule it for 6/1.

Portraits are printed while you wait and are typically done within an hour after you select your portraits.

You can find and print your Groupons by logging into your account at <http://groupon.com>. Once you are signed in, place your cursor over your name at the top right of the screen and click "My Groupons" in the drop down menu that appears. If the Groupon you are trying to print was purchased as a gift, it will be in "My Gifts". After you've reached that page, click "Print" or "Print All" to download the PDF of the Groupon(s) to your computer. Once that file opens, you can print it like you would any document.

Each photo session lasts around 20 minutes. We try to have the entire process lasts about an hour, from the time you check-in until the time you receive your portraits. Sometimes appointments on the weekends take a little longer due to increased volume of sessions.
