When using this product

- Do not heat ■ Do not microwave ■ Do not add to hot water or any container when heating water. May cause splattering and result in burns.
- Avoid contact with eyes
- Do not apply to wounds or damaged skin
- Do not bandage tightly ■ Do not take by mouth or place in nostrils
- Do not take or give this product for persistent or chronic cough such as occurs with asthma or if cough is accompanied by excessive phlegm (mucous) unless directed by a doctor.

Stop use and ask a doctor if

- muscle aches and pains worsen, or if symptoms persist for more than 7 days or clear up and occur again within a few days
- cough persists for more than 1 week, tends to recur, or is accompanied by fever, rash, or persistent headache.

These could be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- See the important warnings under "when using this product"

■ Adults and children 2 years of age and older:

■ Rub on the neck and chest as a thick layer or rub on sore aching muscles.

■ Cover with a warm, dry cloth if desired.

■ Clothing should be loose about the neck and chest to help vapors reach the breathing passages.

■ Use up to three times daily or as directed by a doctor.

■ Children under 2 years of age: consult physician.

Other Information:

Use only if seal is unbroken.

Inactive ingredients Citronella oil, eucalyptus oil, peppermint oil, yellow petrolatum
