

NEW POSTUREPEDIC PLUS SERIES

Real support **AND** real innovation.

Key Features

MORE MEMORY FOAM

Step up to thicker memory foam for more conforming comfort.

CORESUPPORT™ CENTER

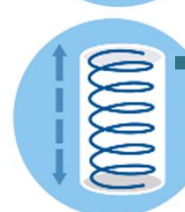

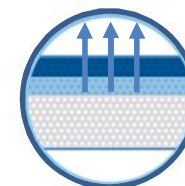

Our exclusive feature, with a band of reinforced gel memory foam in the center third, for added support and durability where you need it most.

SEALY EMBRACE™ PLUS COIL

Specially engineered encased coil system that responds to the natural curves and alignment of your spine, for full-body support. Encasing allows each coil to move independently, for more targeted support and reduced motion transfer.

SOLIDEDGE™ HD SYSTEM

A soft, 2.5-inch reinforced border around the mattress edge so you can use the full surface of the mattress without rolling off, as well as providing a solid seating surface.
