Remember walking with your partner to the primary school lunchroom then going single file through the cafeteria line and the smell of the grilled cheese and the nice older ladies in the hair nets filling melamine bowls on the trays with the little round indentation to keep the bowl from slipping that would be steaming with the hot creamy tomato soup that by all means you should hate because it has tomatoes in it and you're supposed to still hate tomatoes and you secretly love but won't admit? Yeah. This is like that, only better. \$3.47

## Aw, You're Pullin' My Pork

No foolin', this is the kinda story pappy used to tell before tottering off to tend to his begonias. ## The Macaronis and the Cheeses

So over the past eight or so years we've managed to sell more macaronis and cheeses to lucky Pittsburghers than Taylor Swift has sold spiral perms to pregnant teens. In fall, 2010, we classed it up and added our almost-famous lobster mac to rave reviews. So let's roll with a theme, shall we?

## Cheesecake for Two

To maintain our self respect we have to call this a cheesecake for two just because it would be completely decadent to eat a whole one by one's self, with all its creamy cheesy goodness and an overtone of Madagascar vanilla (from the island, not the movie). But of course, we've all done it before. Maybe. \$5.89. We really won't think poorly of you if you eat one all by yourself ;)

## Cookies-n-Cream

A freshly baked chocolate chip cookie of prodigious diameter served hot out of our Easy-Bake oven (powered by a 40-watt light bulb) in a lethal cast iron skillet with French vanilla ice cream. \$5.91 Give us a few minutes to make this: mom's baking these to order, and you know how she gets when she's rushed!

**Regarding Food Allergies:** We'll do our best to identify any known allergens if you ask, but there's always the possibility of cross-contamination in manufacturers' facilities. We have milk and eggs: do you like custard? We have fish and shellfish, but are rarely selfish. We have tree nuts, peanuts, and some people who are just plain nuts. You have been warned.
