|----------------------------------|-------------------------|
| <b>Tech Specs</b>                |                         |
| Model:                           | RioHD-LED-G3            |
| LCD:                             | 3.5 inch TFT Matrix RGB |
| Native Resolution:               | SVGA (800 x 600)        |
| Supported Resolutions:           | up to 1080p             |
| Projected Image Size:            | 50 - 120 inch           |
| Lumens:                          | 350                     |
| Contrast Ratio:                  | 1800:1                  |
| Throw Ratio:                     | 1.3                     |
| Keystone:                        | Manual                  |
| Vertical Image Flip:             | Yes                     |
| Horizontal Image Flip:           | Yes                     |
| LED Lamp Life:                   | 20,000 hours            |
| LED Lamp Power:                  | 70W                     |
| Operating Voltage:               | AC 110-240 V / 50-60 Hz |
| Power Consumption:               | 19V / 70W               |
| Operating Temperature:           | 4°F - 95°F              |
| Storage Temperature:             | -14°F - 140°F           |
| Size:                            | 9.0 x 5.0 x 3.7 inches  |
| Weight:                          | 2.75 lbs                |
| <b>Inputs</b>                    |                         |
| Composite Video:                 | 1                       |
| Component Video:                 | 1                       |
| S-Video:                         | 1                       |
| VGA:                             | 1                       |
| HDMI:                            | 1                       |
| USB (media playback):            | 1                       |
| Audio Inputs:                    | Stereo (1.5W x 2)       |
| Audio Output:                    | Stereo                  |
| <b>In the Box</b>                |                         |
| RioHD-LED-G3 projector           |                         |
| Remote control                   |                         |
| Power Adapter (100-240V) / cable |                         |
| AV cable                         |                         |
