OUR LEGACY

In the spring of 1835, a group arrives following the Des
Plaines River. Jacob Cadwell, his wife, five sons and two
daughters settle at the corner of two trails now known as
Deerfield and Waukegan Roads and call it Cadwell's
Corners. Caleb Cadwell and his wife, Eleanor, purchase
80 acres of heavily timbered land and 80 acres of prairie
in Deerfield Township for as little as \$1.25 per acre.
In 1848, Cadwell School is built on the southwest corner
of Deerfield and Waukegan Roads. Later known as the
Deerfield Grammar School, it is moved east to the
present site of Deerfield School District 109 in 1903. In
April 1850, at the first meeting of Deerfield Township,
Caleb Cadwell is elected its first supervisor.
On May 4, he is appointed postmaster of the first post
office in Deerfield, located in a house at 699 Waukegan
Road. Cadwell manufactures hubs and wiffie trees for
wagons and carriages.
