

What is Junior Achievement?

Junior Achievement is the world's largest organization dedicated to educating young people about business, economics and free enterprise.

Junior Achievement of Grand Island's programs reach K-12th graders in 12 Nebraska counties and provide current, state-of-the-art educational materials, computer software, and trained volunteers at no cost to the schools or students. The District of Grand Island JA is under JA of Lincoln's umbrella. All proceeds from the sale of this Central Nebraska Golf Card go directly to providing JA programs in Grand Island's schools.

Grand Island's 150 JA volunteers touch the lives of nearly 3,000 students in 16 local public schools each year. The District of Grand Island JA is funded entirely by voluntary contributions from the private sector and is governed by a local volunteer board of directors.

Junior Achievement is a 501(c)(3) charitable organization, to which contributions are tax-deductible to the extent permitted
