

Imagine yourself taking over 15 different organic veggies & greens every day!!

The best and most beneficial source of bioavailable nutrients for the human body is from fresh, raw, organic super veggies and greens that are loaded with a synergistic array of natural vitamins, minerals, enzymes, probiotics, fiber and thousands of phytonutrients. These are essential in providing maximum nutrient value and also supports overall increased health and vitality. This is why OrgaNick 'Natural Rejuvenation' is made with only those organic veggies and greens that contain the highest levels of nutrient density and are concentrated to powder using a proprietary low temperature process (below 106F) to retain the 1000's of nutrients that are found only in the raw fresh organic vegetables and greens! OrgaNick Life...rid your body of toxins while rejuvenating your mind, body and soul.
