- Perfect fit for a 40" or larger HDTV
- Hexagon design: convenient optimal speaker placement
- Connect the sound bar to your HDTV w/ a HDMI® cable<sup>1</sup> (not included)
- Place on a tabletop, or easily mount on the wall
- Dolby® Digital Pro Logic® II and dts® Digital Surround
- Remote control, and Digital Optical cable also included
- IR emitter: control home audio visual devices that otherwise would be blocked

#### Features

---

##### 2.1 Channel; 300W Soundbar

Bring your TV experience to life with exceptional audio marked by rich, natural sound with incredible clarity and definition in a compact, stylish design

##### Wireless Subwoofer

Delivers heart-pounding sound without having to run wires around your home

##### Virtual Surround Sound

Experience room filling cinematic simulated surround sound with Sony's Virtual Surround sound technology. The CT260H delivers a powerful surround sound effect without the need to connect multiple speakers throughout the room.

##### HDMI® Input/output

Wirelessly stream and enjoy music from your smartphone, PC, tablet, music player, or other Bluetooth® enabled devices

##### Hexagon design

Allows you to easily and conveniently position the sound bar for the optimal listening experience

##### Easy-to-use, hassle free installation

Connect the soundbar to your HDTV with just a HDMI®<sup>1</sup> or Digital Optical cable (Optical cable included), and then mount the soundbar on any wall using its two integrated keyhole wall mounts - no need for separate brackets.

##### Dolby® Pro Logic® II and dts® Digital Surround

Experience theater-like sound in your home with Dolby® Pro Logic® II and dts® Digital Surround<sup>4</sup>

##### Wall mountable

Place on a tabletop or easily mount on the wall
