

Imagine yourself taking 15 different organic fruits and berries every day!!

The most beneficial source of antioxidants for the human body is from fresh, raw, organic super fruits and berries. Natural Cleanse and Detox is made with only those organic fruits and berries that contain the highest levels of antioxidants. They are concentrated to powder using a low temperature process to retain its 1000's of nutrients. Not only does Cleans & Detox cleanse your body, it also provides a wide variety of raw organic nutrients.

OrgaNick Life . . . rid your body of toxins while rejuvenating your mind, body and soul.
