OUR MENU

(If you couldn't tell!)

SERVED 11:00AM - CLOSE

The majority of our food is homemade right here in our kitchen. Well, we don't raise our own chickens and cattle or brew our own beer on site, but our goal is to bring you great, fresh food at a reasonable price. We don't serve fast food; we serve great food as fast as we can. Some items take a little longer than others. If you ever have a comment about the quality of our food or service please let one of the owners know. Scott is the owner/manager who will be around the most. He's the BIG dude! We appreciate any comment, good or bad, and will constantly strive to make things better. We appreciate your patronage and hope you have a great time at Poole's Public House.
