Massage Therapies

JOURNEY TO BALANCE SIGNATURE EXPERIENCE

Using luxurious oil blends that are formulated to soothe each of the seven vital centers in the body, your therapist will help you reach a state of complete tranquility. Each blend removes a layer of stress and, as you become more relaxed, energy will flow through your system in perfect balance. This massage will take you to the center of your being, resetting your energy and leaving you feeling utterly rejuvenated.

80 minutes - \$210

ESSENCE OF RAVELLA SIGNATURE MASSAGE EXPERIENCE

The journey begins as your therapist prepares a custom blend of alchemic essential oils to enchant the senses. Surrender to the experience as your special formula is then massaged into your skin using a variety of styles and techniques designed to restore balance and revive the spirit.

80 minutes - \$190

MUSCLE RELIEF MASSAGE

This therapeutic massage uses a blend of wild sage and lavender oils combined with our highly potent extract of mountain arnica to ease chronic muscle tension and stimulate soft tissue repair. Direct pressure and slow strokes are used to release restrictions in the deep muscle tissue. Your therapist may also apply focused relief drops, a healing concentrate of essential oils, to particularly tense areas and trigger points to break the harmful patterns caused by posture, repetitive motion, stress, or injury.

Specific Area 50 minutes - \$140 Full Body - 80 minutes - \$210

RAVELLA ROCKS MASSAGE

This unique twist on a traditional hot stone massage provides a revitalizing contrast between the radiant heat from sun-baked basalt stones and the cooling freshness of Mediterranean rosemary. A soothing application of warmed herbal oil begins to loosen and relax the body before smooth, hot river rocks melt knotted muscles. To eliminate every trace of tension, your therapist will target those areas of the body where more attention is needed. *75 minutes - \$190*

BACI DI SOLE MASSAGE

Feel as if you're being kissed by the sun with this relaxing and stress-relieving therapy, which uses soft strokes to apply aromatic and soothing essences of lavender. The refreshing tonic soothes sun-stressed skin while cool stones relax the face during a head, neck and shoulder massage. To deliver a final layer of healing hydration, a cucumber elixir is misted onto the skin and worked into the oil on the body. Great for sun stressed skin. *50 minutes - \$120 80 minutes - \$190*

MAMMA FELICE TANGERINE AND ROSEHIP PRENATAL MASSAGE

Each mother-to-be will be pampered by a blend of organic oils that nourish the skin and reduce the appearance of stretch marks while a relaxing massage releases tension from tired muscles. Designed to cleanse and detoxify, this treatment allows you to let go of your daily stresses and enjoy balanced, radiant skin. Our sea salt body polish offers a gentle yet thorough exfoliating treatment, leaving the skin soft and glowing. As you relax in a warm wrap, your tension will melt away as your neck and scalp are massaged. *110 minutes - \$240*

NAPOLI ESPRESSO BODY EXPERIENCE

A morning in Naples is not complete without an invigorating espresso, and this age-old Italian ritual is reimagined here as a revitalizing full body experience. Finely ground coffee beans and volcanic pumice exfoliate and awaken your skin. The rich aroma of coffee revives the senses as you relax in a detoxifying mud wrap that cleanses and nourishes both the skin and the spirit. *50 minutes - \$120 80 minutes - \$190*

ESSENCE OF RAVELLA CUSTOM BLENDED BODY SCRUB

Choose your own personal body experience with a custom tailored blend of essential oils and a body polish of organic cane sugar that gently buffs the skin to reveal a softer, smoother layer underneath. Your therapist will massage a rich blend of butters and oils into your skin for complete hydration. Prolong the experience with your own custom blended mineral salt bath. *50 minutes - \$120 80 minutes - \$190*

SUN WORSHIPER SHEA BUTTER THERAPY

Prepare your skin to bask in the sun. The treatment begins with a meticulous but gentle body polish using our skin conditioning honey and cane sugar blend, scented with organic citrus and vanilla oil. After the scrub has been carefully removed with moist towels or a refreshing shower, we add warm honey to a whipped butter cream containing goat's milk and shea butter and smooth the mixture over your skin. Honey hydrates and protects skin, helping to tone and condition as you lie swaddled in a warm wrap, enjoying a hot kukui nut oil scalp massage or a light acupressure facial massage. *50 minutes - \$120 80 minutes (includes back massage) - \$190*
