

# Lenovo 80Q0000EUS Ideapad Y700 17.3" Gaming Laptop

**Powerful:** In the heat of the battle, underperformance is not an option. Fueled by a powerful Quad Core processor, the Ideapad Y700 boasts the raw power you need to vanquish anything – and anyone – that gets in your way.

**Immersive:** The Ideapad Y700 brings the world of immersive audio to you. It equips you with clearer, more realistic sounds, so you can lose yourself in the experience.

**Cutting-Edge:** As the action intensifies on screen, thermal fans keep things nice and cool under the hood. With serious firepower, awesome graphics, and performance-boosting options, it gives you the ammunition to succeed every step of the way. The Ideapad Y700 gives you discrete graphics as standard and multiple ports for all your gaming peripherals.
