

# CHATEAU ST. NICHOLAS

## WHITE ZINFANDEL

---

### TASTING NOTES

When Santa and his elves aren't busy making presents, they are carefully tending the vines at Chateau St. Nicholas. Each fall they are rewarded with a bountiful harvest of the finest winemaking grapes. A tradition since 1986, Santa and his helpers once again want to share their wines with people everywhere. We invite you to make Chateau St. Nicholas a part of your holiday tradition with friends and family. Give the perfect gift this Christmas!
