

SAMSUNG

Unlock the Galaxy

Unlocked by Samsung

Standard U.S. limited warranty

All Unlocked by Samsung devices come with a standard U.S. limited warranty, so you can take them to any Samsung service center for repair.

Network performance

Unlocked by Samsung devices are optimized for use with U.S. carrier networks.¹

Software updates

Unlocked by Samsung devices automatically receive software updates.

Samsung KNOX

Samsung KNOX offers defense-grade security to keep your work and personal data safe.

Samsung Pay

The unlocked Galaxy S8 and Galaxy S8+ support Samsung Pay, which lets you pay with your phone at over 90% of POS terminals.

Preloaded apps

Our devices come with fewer preloaded apps and no specific carrier apps out of the box, so you're free to use the space how you want.

Non-U.S. Unlocked by Samsung²

Standard U.S. limited warranty

Does not include a U.S. warranty. Service or support in the U.S. may be unavailable or limited.

Network performance

Non-U.S. Unlocked by Samsung devices will not be optimized for use in the U.S. If not purchased from authorized distributors or channels, these phones may not be compatible with CDMA networks.

Software updates

These devices do not receive U.S. market software updates.

Hardware

Non-U.S. Unlocked by Samsung devices may be inconsistent with U.S. market device software, hardware, and services.

¹This device will work on any compatible network. Wireless voice, data, and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint, and US Cellular*. Support for certain rate plans, features, and services such as VoWiFi and hotspot vary by wireless service provider. Contact provider for details. ²Refers to Samsung-branded devices intended for use in other countries and not imported or sold by Samsung Electronics America, Inc. © 2017 Samsung Electronics America, Inc. Features & Services

Unlock the Galaxy

Your unlocked Galaxy J3 is optimized to work on most U.S. GSM networks¹ and internationally with a compatible SIM card². Plus, enjoy a standard U.S. limited warranty and access to exclusive Samsung services and 24/7 support.

See things clearly.

Whether you're scrolling through photos or connecting with friends and family, you'll get a bright, full picture on the 5" HD Super AMOLED display that's free from soft navigation keys.

Freedom to store more

With 16GB³ of built-in memory, you can store more than 5,000 photos or 2,500 songs⁴ directly on your device. Get up to an additional 256GB with a microSD™ card⁵ so you can enjoy more of your favorite music, photos, and games on the go.

No-fuss navigation

Simplify your experience when you turn on Easy Mode. Featuring fewer, larger icons and simpler app interactions. Easy Mode lets you get to your favorites quickly.

Features & Services

Unlock the Galaxy

Your unlocked Galaxy S8 is optimized to work on most U.S. GSM and CDMA networks¹ and internationally with a compatible SIM card². Plus, enjoy a standard U.S. limited warranty and access to exclusive Samsung services and 24/7 support.

Infinity Screen

The world's first Infinity Screen has an expansive display that stretches from edge to edge.

Camera

Take amazing photos in low light and at fast speeds, and understand the world around you with built-in intelligence.

Meet Bixby

Bixby makes your phone helpful – assisting in completing tasks, telling you what you're looking at, learning your routine and remembering what you need to do. Just push the Bixby button.

Facial Recognition

Easily unlock your Galaxy S8 with a look.

Water Resistance

With an IP68 rating, the Galaxy S8 can resist a splash or an accidental dunk.

Fast Wireless Charging

Power up without having to plug in.

Expandable Memory

Expand your storage up to 256GB with a microSD™ card³ that makes room for the things that matter most.

Iris Scanner

The Iris Scanner maps your eyes to create a unique digital signature on your phone to keep emails, photos, contacts, and documents secure.
