We hope you feel at home when dining at our family owned Cafe.
We thank you for your patronage.

Our story...
Capital View Cafe & Catering is a family owned and operated cafe. In October 1993, the Ramirez and Lucken family would use their many years of restaurant experience to revive a small cafe in need of new owners. The new venue would be named Capital View Cafe because of the spectacular view of our State Capital from Smith Avenue.

Our cafe offers Mexican and American breakfast, lunch and catering. Specializing in homemade recipes and sauces made from scratch, our large portions are sure to please. Our friendly staff and relaxing atmosphere will make you feel right at home.

We thank you for your patronage and look forward to continuing our relationship with all our loyal customers.

Thank You, Glen and Mia Lucken / Owners
