Nature & early Spring Outing

Comfortable and stable touring canoes

Weather guarantee

Getting a little tired of winter? Bring someone special on the Congaree River and enjoy wonderful views and wildlife. Placid stretches of river alternate with scenic views of nature and town. Don't miss this unique and romantic venture. No experience required.

River time: approximately 2 hours; total time: 3 hours.

Cost is \$60 per person. Departure from 208 Candi Lane at 1:00 PM.

This is calm, relaxing trip. We will paddle on the Congaree River and through the old canal which was once used to move commercial river traffic. Lots of history, scenery, nature, and views of the city make this a rewarding experience for people of all ages and skill levels. Canoes can be fitted with stability outriggers for additional seasonal comfort.
