

LASER MUSIC SHOWS

PINK FLOYD'S THE WALL

Classic music laser combinations with 15 songs from THE WALL including parts 1-3 of "Another Brick in the Wall".

LASER U2

Including hits such as "Beautiful Day", "With or Without You", "Where the Streets Have No Name", and "Mysterious Ways" set to lasers!

LASER HYPNOTICA

Features music from the Chemical Brothers, the Crystal Method, Prodigy, Fat Boy Slim, and others.

LASER BEATLES:

Across the Universe

This show includes a live presentation about the night sky and concludes with the laser music show with classics such as "Yesterday" and "I Wanna Hold Your Hand".

LEGENDS OF THE NIGHT SKY

Educational shows about the mythology behind the constellations. These entertaining and humorous shows are fun for all ages!

ORION

Follow Orion's adventures as he grows to manhood, battles mythical beasts, foils the plot of an evil king and wins the heart of Artemis, the beautiful moon-goddess.

PINK FLOYD'S DARK SIDE OF THE MOON

The entire "Dark Side Of The Moon" album set to laser patterns. This is one of the classic combinations of lasers and music!

LASEROPOLIS

Laser patterns set to music from No Doubt, the B-52s, Boston, Pink Floyd, Alanis Morissette, and Prodigy. Talk about a mix of music!

LASER ZEPPELIN

Some of Led Zeppelin's hits including "Over the Hills and Far Away", "Kashmir", "Immigrant Song", and "Stairway to Heaven".

LASER 80s

Songs from The Police, Red Rider, Depeche Mode, INXS, and Duran Duran. A modern laser show with yesterday's music!

PERSEUS & ANDROMEDA

Learn how brave Perseus rescued the beautiful Andromeda from sacrifice to Cetus, the sea monster.
