

# Dr. Murad Signature Facials

## Vitamin C Infusion Facial

Our most popular facial. For those experiencing sun damage and pigmentation. Dr. Murad's patented infusion technology delivers pure vitamin C directly into the skin for maximum results. This anti-oxidant treatment restores clarity, texture, elasticity and firmness, while fading pigmentation. \$85

## Resurgence Renewal Facial

A luxurious, dual-mask treatment redefines anti-aging. An infusion of plant derived estrogen from soybeans, wild yams, and cloves restores vitality and beauty to skin suffering from hormonal aging. See the transformation and welcome the ageless you. \$85

## Redness Therapy Facial

Calms and cools Rosacea-like redness with our blend of Goji berries and peppermint leaf. Relax into our therapeutic treatment as the redness disappears and your true skin tone is revealed across your face. \$85

## Clarifying Acne Complex Facial

Murad's professional strength acne treatment is scientifically proven to reduce acne blemishes, while soothing redness, and inflammation. This facial combines exfoliating fruit enzymes, anti-oxidants and hydrating agents for deep cleansing and extractions without irritation. \$85
