### GARDENING CLASSES

April – June Schedule on back of this flyer

**Come and Join us in “fun with gardening”!**

If you want to have fun, learn the benefits of gardening, cut costs on groceries and eat healthier, join us in these fun “hands on” and informative classes on how to grow your own fruits, vegetables and herbs.

Learn how to create beautiful hanging baskets and patio pots of color, and a relaxing environment in your own yard, for pennies on the dollar.

Sign up for one or more classes, space per class is limited so sign up today.  
These classes will fill fast!

All your materials are included in the cost of the class and you take your project home with you.

Just pick your class and contact:
