

iPhoneography 101 by Amanda Kerr Photography

Cost: \$125/ **Class duration:** 2hrs/ **Email/** register@amandakerrphotography.com

Learn to create stunning images using your iPhone.

The iPhone is, more and more, becoming the point and shoot of choice. Even Annie Leibovitz was quoted as saying that the iPhone is 'The Snapshot Camera Of Today' – what an endorsement!!! A GREAT reason to get to know your iPhone camera better! This class will involve instruction on the best camera apps to use to capture your images, elements of good composition, photo critique and instruction on using the best editing apps to make the most of the images you took.
