

# ***“Singles/Couples Night Out: Learning the Art of Social Etiquette”***

A night of etiquette and elegance!

## **Introduction:**

Cooking Classes  
Social etiquette  
Entertaining guests in your home

We believe the art of etiquette has been lost throughout the decades. These are priceless skills that are not only important in your social life but also in the business world. We would like to bring back the days of chivalry and social graces. You will learn how to properly ask somebody out on a date, how to conduct yourself in different types of settings, how to order in a restaurant for yourself and your guest. Whether you are planning a romantic evening, social or business gathering at home or the office, or an elegant night on the town, you will learn how to be a gentleman and a lady.
