Indian Cuisine

Indian cuisine, like the Indian culture, has been influenced by the various civilizations that have inhabited the country for ages. A mélange of diverse regional cuisines, Indian cuisine, is characterized by the use of spices and is known all over the world for the mouthwatering delight it brings to the taste buds.

At Kebab and Biryani, we salute this rich legacy and seek to bring this experience closer to the residents of Virginia. We bring you dishes from every nook and corner of the country, right from the delicious Kashmiri cuisine from the foothills of the mighty Himalayas in the North to the delectable Andhra and Chettinadu cuisine of the coastal South.

With the widest menu of all Indian restaurants in town, we serve a huge variety of dishes, each prepared with utmost care, using only the freshest of ingredients. From exotic vegetarian and non-vegetarian starters, to our wide range of choicest desserts; from succulent, mouth-watering kebabs, to spicy South Indian sea food; from traditional homemade recipes to modern Indo-Chinese fusion dishes, Kebab and Biryani brings you anything and everything that Indian cuisine has to offer. And yeah, don't you dare leaving our restaurant without tasting our Hyderabad Dum Biryani, inarguably the "Best Biryani in USA".
