Why Pottery Journey Summer Camp?

This unique summer camp for pottery art lovers and future artists from age 7+ years old . Pottery classes will be taught by experienced New York City artists. Campers will learn hand building and wheel throwing techniques while working on various projects with clay, glazes and tools. To ensure the quality, the camp is limited to **9 campers** per day.

Weekly field trips are especially designed for the young artists to explore all flavors of arts, such as sculptures, paintings, ceramics in museums and galleries.

FUN Math Games will be led by Professor Ma from Baruch College, who promotes Computational Thinking in math education.

Besides pottery, campers will enjoy other arts and crafts activities.
