

Thank you for choosing to come dine with me today. With 28 years of restaurant experience it has been my dream to open a restaurant that offers fresh food, fair prices, and outstanding service. As of June 7, 2012 my wife Molly and I took over ownership of Pizza Getti, rest assure, I will not change the pizza in any way!

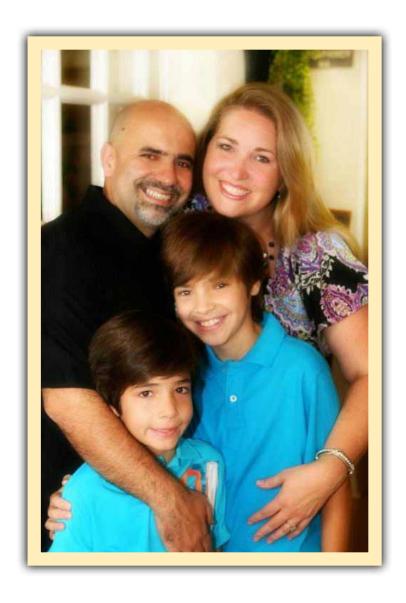

My goal for this restaurant is for it to become your favorite family restaurant, not just a pizza destination. I want to cater to all of the members in your family. During the next few months as I introduce new items from my favorite recipes I would appreciate your feedback in helping ensure this goal. I look forward to hearing your feedback and getting to know each of you.
