

HP recommends Windows 8.

HP ElitePad 900

Go beyond everyday business with the HP ElitePad. Its elegant design and touch experience put productivity at your fingertips.

No Wi-Fi? No Problem. Free 4G. Enjoy 2 years of free mobile internet service up to 200MB of 4G data per month with no annual contract, no credit card, and no overage fees.⁽²²⁾

Transform your workday with a tablet designed for business.

- The HP ElitePad is the true tablet for business, with a 10.1-inch diagonal screen and a complete suite of thoughtfully designed accessories,⁽⁴⁾ giving you an elegant solution.
- Windows 8⁽¹⁾⁽⁷⁾ and x86 compatibility for legacy apps arm you with the tools you need—and the confidence of a familiar PC experience. All driven by the latest Intel® processors.

Sleek. Elegant. Thoughtfully designed.

- With a 16:10 display, you spend less time scrolling. More time doing. Thanks to support for touch, pen, or voicebased input, you can work the way that suits you best.
- It's built to last and designed to look great and work dependably everywhere from the boardroom to the warehouse, thanks to durable materials like Corning® Gorilla® Glass 2 and machined aluminum.

Secure like nobody's business.

- You're protected with HP Client Security. HP BIOS Protection and Microsoft Defender⁽⁹⁾ help keep you up and running with enhanced defense against virus attacks and other threats.

Flexible customization options.

- Slide the HP ElitePad into a smart jacket with an additional battery⁽⁴⁾ to extend battery life⁽²⁰⁾ and work without worrying about recharging. Dock at the office and the HP ElitePad becomes your desktop PC. The HP ElitePad Expansion Suite turns a true business tablet into a total business solution.
- Whether it's sales, design, education or healthcare, you'll benefit from an assortment of industry-specific software and hardware options that have been thoroughly tested for compatibility.
- Work on your terms with a tablet that fits your business.

No Wi-Fi? No Problem. Free 4G.

- Enjoy 2 years of free mobile Internet service up to 200MB of 4G data per month with no annual contract, no credit card, and no overage fees.⁽²²⁾
- And, for those who are constantly on the go, add flexible data passes at low rates⁽²³⁾ as you need it, still with no annual contract or overage fees.
- For more information go to www.hp.com/go/elitepadmobility.

Specifications

Learn more at hp.com

⁽¹⁾ Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See <http://www.microsoft.com>

⁽²⁾ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁽³⁾ For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB for Windows 8 of system disk is reserved for the system recovery software.

⁽⁴⁾ Sold separately or purchased as an optional feature.

⁽⁵⁾ Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.

⁽⁶⁾ Memory operates at the maximum system supported speed of 533 MHz.

⁽⁷⁾ This system is Windows 8 certified and supports the new Windows UI. The integrated display resolution is below the threshold for Snap, a Windows UI feature that allows two Windows Store apps to be viewed simultaneously. This feature may be enabled by attaching an external 1366 x 768 or higher resolution display.

⁽⁸⁾ The mobile hotspot application requires an active internet connection and separately purchased data plan. While HP mobile hotspot is active, on-device applications will continue to work and will use the same data plan as the mobile hotspot. Mobile hotspot data usage may incur additional charges. Check your plan details. Requires Windows 8.

⁽⁹⁾ Opt-in and internet connection required for updates.

⁽¹⁰⁾ Computrace agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging for multiple years. Service is limited, check with Absolute for availability outside the U.S.

⁽¹¹⁾ Requires initial user setup.

⁽¹²⁾ Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area.

⁽¹³⁾ Requires separately purchased GPS navigation software available from multiple GPS applications. GPS access requires an unobstructed path to multiple satellites. Performance may be affected if/when used inside of buildings, bridges or heavily congested metropolitan areas.

⁽¹⁴⁾ Requires Microsoft Windows and initial user set up.

⁽¹⁵⁾ Requires Internet Explorer, some websites and applications may not be supported.

⁽¹⁶⁾ Requires an Internet connection to HP web-enabled printer. Printer requires HP ePrint account registration. Mobile device requires Internet connection. May require wireless access point. Separately purchased data plans or usage fees may apply. Driver update may be required. For more details, visit www.hp.com/go/eprintssoftware.com.

⁽¹⁷⁾ Requires optional secondary battery and smart jacket.

⁽¹⁸⁾ Weight will vary by configuration.

⁽¹⁹⁾ For service beyond the 2 year free monthly data period, T-Mobile data rates apply. Service starts on date of hardware purchase and is not available everywhere. Data connection speed can vary due to location, environment, network conditions, and other factors. See coverage details at www.T-Mobile.com. Use or activation of service is your agreement to T-Mobile's Terms and Conditions. Available on select SKUs in U.S. only.

⁽²⁰⁾ See www.T-Mobile.com for current rates.

⁽²¹⁾ Windows 8 skus include Office Home & Student 2013 with full versions of Word, Excel, Powerpoint and One Note and is not available in all regions. Office Home & Student 2013 edition software may not be used for commercial, non-profit or revenue-generating activities.

⁽²²⁾ See <http://www.absolute.com/landing/2012/computrace-hp> for complete details. Absolute Data Protect agent is shipped turned off, and must be activated by customers. Service may be limited, check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

⁽²³⁾ Data is protected prior to Drive Encryption login. Turning the PC off or into hibernate logs out of Drive Encryption and prevents data access.

⁽²⁴⁾ Weight will vary per configuration.
