

Company Statement

Homeland Security Solutions, Inc. (HSSI) is a corporation established by a team of experienced security professionals who provide extensive knowledge and capabilities in Law Enforcement Training, Public Safety, Physical Security, Vulnerability Assessments, Electronic Security Systems Design, Engineering and Systems Integration.

What services can HSSI provide?

Training

Our training standards are what distinguish HSSI from other security training organizations. We provide specialized, practical training in security. HSSI Training Academy is dedicated to providing quality, professional training to address the particular needs of contract security officers.

Certification

HSSI is approved and regulated by the Commonwealth of Virginia, Department of Criminal Justice Services for all Unarmed and Armed Security Certifications. We pride ourselves on preparing our students to reach, and exceed, their full potential – and meet the needs of their employers.

Knowledge

The HSSI Training Academy consists of a team of professionals that come from a military, security specialist, civilian or federal law enforcement background with extreme diversity in all public safety core competencies. HSSI is positioned to respond to any security training request, and has the right team to accomplish the task at hand.

VA DCJS Certified

Homeland Security Solutions, Inc. is a registered security business, and training academy in the Commonwealth of Virginia. The instructor staff at HSSI Training Academy have years of experience in firearms instruction and defensive tactics gained from a diverse background of military, law enforcement and government agencies. All are currently NRA/Law Enforcement and VA DCJS, General and Firearms Instructor certified.

What are the benefits?

Entry Level Training

The primary mission is to ensure the professional training of all potential security officers and personnel within compliance with Virginia State Codes and Regulations.

In-Service Training

HSSI Academy is committed to provide the best training available for individuals seeking employment in either commercial or government security services.

Firearms Safety Training (VAC 18.2-308)

The course is designed to educate the participant in the various handgun characteristics and features. Whether you have never handled a firearm, or are an experienced gun owner – you will learn about safe handling, proper storage, marksmanship fundamentals, care and cleaning of a firearm. This class meets all Virginia State laws regarding ownership, possession, and requirements for concealed carry permits.

Private Firearms Training

HSSI Academy provides the best training available for individuals seeking one-on-one, with firearms training conducted on site by a certified NRA firearms instructor.
