What is Improv Comedy?

- Improv Comedy is a theatre performance, that is made-up on the spot based on audience suggestions. Think of the television show "Whose Line is it Anyways". No scripts, no memorized dialogue, no rehearsed scenes: just clever improvisers, and tons of energy, creating scenes based on your feedback. The Soaps involve the audience to help create unforgettably classic moments that will have your group asking "when are the Soaps performing next?".

What can I expect?

- Improv means we are able to adapt. The Soaps are masters at tailoring our shows to suit your company. Every show is unique.
- It's interactive! A great way to wrap up a convention, or day of meetings, by unwinding and socializing as a group.

What our Clients are Saying.

"The group had most of the staff laughing so hard that they were crying - the Soaps made the evening a success!!"

Pat, Saskatchewan Teachers Federation

"Great job guys. Everyone had a good laugh."

Peter, Central Asphalt & Paving

"We really enjoyed the Murder Mystery on Monday night. It was hilarious. I was impressed with the spontaneity of the responses of the cast members to any question asked by us. They were able to respond while staying in character and also giving an appropriate answer as if there was a written script. It is actually a great team building exercise in addition to just being fun."

Barb, Potash Corporation of Saskatchewan Inc.

"You are all amazing. You realize that you've now become an integral part of this event. Same time next year? Cheers"

Mona, The United Way
