

Learn to Knit LTK-2 are 2 session classes designed for the Groupon. The dates are as followed. We will add to the web as well asap. The cost is \$44.00 per session and includes instruction, needles & yarn.

Requirements: No knitting experience or skills needed. This is a class for true beginners.

Supplies: None – everything provided in class.

Description: Beginning Knitting – This is the class for you if you've never picked up a knitting needle before, or if you did once, a hundred years ago, or even if you can knit, but don't really understand what you're doing. This class will teach you to cast on, knit, purl, bind off and weave in ends. You will leave a confident knitter, who understands knitting and is ready to start an easy project. You will create a simple scarf as you master your knits and purls.
