

Introducing garden education memberships!

The FarmGirls have put together a membership program for you to pay one flat rate and attend as many classes as you'd like each month. This program begins in January 2013 and memberships are **ON SALE NOW!** Read through the chart and packet to learn more. **BUT**, before you do we have packed our schedule with incredible classes and different instructors!

We will have chicken workshops, bee workshops, free seminars on different organizations and health awareness workshops, we will have our vegetable course, landscape course, Greenhouse classes, Hands On Classes, Perennials, Birds, Butterfly Gardening, Seed Saving, Soil Topics, learn more about bugs, cooking, canning, dehydrating, and fermenting classes. Our instructors will be Marilyn Simmons, Donelle Simmons, and several guests including Trish Percy from Grow North Texas, Angela Tenery from JuicePlus+ & Tower Gardens, Frank Schultz from Texas Plant & Soil Lab, Lucy Harrell from Organic Gardening by Design, Lisa Staffelbach from 24 Carrot Health, Tara Beck and many more.

Membership prices are listed in the packet, but if you sign up for your membership before December 15, 2012 you will receive your first month (January) half off and your next payment (full price) wouldn't be until February 2013. Your membership benefits will begin in the New Year, and we would be thrilled to have you as a member in our company! We can promise you that we will find guest instructors that will give you expert advice and knowledge in their area of expertise. Join the fun!

Definitions of membership terms:

Member: A member is a client who joins on a monthly agreement for a minimum of 3 months to attend classes and or courses through the education program at Garden Inspirations. Members pay a flat rate each month and attend the classes/courses in their membership level. Members have special perks and priveledges.

Guest: Members are allowed to bring guests to classes (not the vegetable or landscape courses) and the guests fee is complimentary. Guests must be brand new to Garden Inspriations, have not taken any of our previous classes in the past. If the guest signs up for a membership, Rainmaker, Olla, or FarmGirl the day of their visit the member receives a special gift.

Monthly Commitment: A member will agree to a monthly commitment that is automatically deducted from a credit card or checking account. The monthly commitment is for 90 days and auto renews after 90 days, if member would like to cancel the membership, a 30 day notice must be submitted.

Cancellation: A member may cancel membership with a 30 day notice. Submit a form via email or in person to cancel membership.

Class: A class is listed on the schedule as a class. These are either free, taught by Garden Inspirations, or a Guest Instructor. These are one day classes that vary in length from 1 hour to 4 hours depending on the topic. Guests are allowed to come to classes.

Course: A course is our landscape or vegetable course. It is a continuous class that will extend over a period of time. This is only included in the RainMaker Membership as choosing either the landscape or vegetable course, in the Olla's & FarmGirls Memberships as being able to take both courses.

Additional Classes: Each membership is allowed a certain number of classes to take each month for the price of the membership, but it doesn't limit you from taking additional classes. Additional classes are those that are above your limit in the membership. If you have the Wagon Membership you can take two classes (not courses) during the month. There might be another class you'd like to take in any given month you are a member, you can do this for a discounted rate. Most single classes are \$40.00 and above. As a member you have a discounted rate, please check the membership to see what your discounted rate would be.

Perks: There are perks in each membership, take a look at the chart above or on the memberships in detail for more information on how the perks will work for you!
