Taste The Difference!

Our healthy home-cooking begins from scratch using fresh, wholesome ingredients. Fresh Market Café only uses stocks - no grease, oil or butter - to cook our harvest-fresh vegetables, bringing out their natural, amazing flavors. Our signature pies, yeast rolls and skillet cornbread are all a labor of love prepared and baked every morning in our kitchen. Fresh Market Café's menu is designed so guests can create their own plates by choosing from our selection of tasty meats, vegetables, breads and desserts. We are convenient for people and families constantly on the go, but guests can rest easy that our healthy menu choices will always satisfy their home cooking craving.
