

Fruit Tree Descriptions

Lotus Gardens

Commodity	Variety	Description
Apple	Granny Smith	A large fruit that is bright yellow to greenish in color. It has a firm flesh with a tart taste. It is great for fresh eating/cooking
Apple	Honeycrisp	Has an exceptional storage life and is very winter hardy. It has an excellent color at harvest and for best results.
Apple	Imperial Gala	The skin on the Imperial Gala is a bright scarlet red over yellow. It has a dense aromatic flesh with a semi sweet flavor
Apple	Red Fuji	Bright red skin with yellow to greenish base. The flesh is crispy white with a sweet taste. Excellent in salads or snacks
TH-Apricot	Orange Knockout (N18.105)	Deep orange color, large size fruit, intense taste
Apricot	Blenheim	Fruit is medium to large with an oval shape. It has an orange flesh and is a great apricot for canning and drying as well as fresh eating
Apricot	Katy	Introduced in 1978 and continues to be a popular choice. A red blushed fruit that is large and firm with a very good flavor. Ripens about May 28.
Apricot	Moorpark	Another large apricot, the Moorpark has a brownish-red skin. The flavor is rich and perfect for fresh eating, preserves or pies.
TH-Peach Freestone	Kandi Korn (P5.020)	Firm flesh with distinctive look that resembles Kandi Korn when sliced! Sweet!
Peach-Freestone	Babcock	Fruit is medium sized, red blushed with a white flesh. One of the original old time peaches that is still a backyard favorite
Peach-Freestone	Fay Elberta	Yellow fruit with a red blush. This yellow fleshed, sweet and juicy fruit has been a favorite for the home for a long time..
Peach-Freestone	Gold Dust	Gold Dust has been around awhile, and for good reason. It is one of the finest tasting yellow flesh peaches available.
Peach-Freestone	O'Henry	Large, yellow peach with a great sweet, juicy flavor. Skin is blushed red / flesh is streaked red. An early Burchell variety
Peach-Freestone	Tropic Snow	White flesh, superb flavor and added bonus of showy blooms in spring
TH-Nectarine	Candy Sprinkles (G4.008)	Great color, golden flesh sprinkled with red. Great balance of zesty sugary flavor
TH-Nectarine	Freckle Face™ (BN15)	A taste test winner! Great tasting fruit and a speckled skin make this a must have!
TH-Nectarine	SnackTime (M29.041)	Small donut shaped fruit. White flesh and kid friendly size. Perfect for lunch!
Nectarine	Double Delight	One of the best-flavored yellow nectarines and the beautiful double pink flowers give an added bonus. Fruit is very sweet.
Nectarine	Flamekist	An extremely high quality late season fruit. Large, firm, red over yellow skin. Popular fresh market variety
TH-Plum	Starry Night (Q2.024)	Almost black in color, speckled skin and a deep yellow rich flavored flesh.
Plum	Santa Rosa	The skin is purplish red. The flesh is firm with a fibrous texture and is an amber color with red tinges near the skin.

Commodity	Variety	Description
Plumcot	Flavor Delight	A medium size, yellow flesh, freestone fruit. A good balance between acid and sugar giving it an excellent flavor.
Pear	Beurre D' Anjou	Large, short-necked, firm, good quality, keeps well. While it is self fertile, it does better when pollinated by other pears.
Pear	Bosc	This slender-necked pear has crunchy yet tender flesh and a sweet-spiced flavor. Self fertile but will do better with others.
Pear-Asian	20th Century	Juicy, sweet, mild-flavored fruit is crisp like apple. Easy to grow, heavy bearing small tree. Self-fruitful
Pear-Asian	Shinseiki	Sweet, refreshing, crisp like an apple. Easy to grow. Bright yellow skin. Vigorous, heavy bearing Self-fruitful.
Cherry	Bing	Large, firm, juicy, sweet, nearly black when ripe - superb flavor, the No. 1 cherry Pollinated by Black Tart, Van, Rainier
Cherry	Brooks	The Brooks is a large, nicely flavored, dark red cherry. A good pollinator for Bing. An early Cherry
Cherry	Lapins	Self-fruitful, dark red sweet cherry. Large, firm, good flavor. Similar to Van in color, Sometimes sold as "Self-fertile Bing"
Cherry	Tulare	Red in color with a pink to red flesh. Very juicy and sweet. Ripens evenly and texture is firm. Fruit has exceptional storage characteristics. Flavor is sweet to mildly tart.
