## Magic and Memories...

While The Historic Holly Hotel is known as a destination restaurant for elegant dining, it is also a perfect setting for weddings and other private social gatherings. Even the smallest dinner party takes on an air of panache and sophistication when held at the Holy Hotel, and weddings, anniversaries, and other milestone events become memories of a lifetime.

Imagine announcing your engagement in the intimate but legendary Main Dining Room, which hosted the private engagement party of Tommy Dorsey and actress Patricia Dane in the 40's. Or perhaps professing your vows in the President's Room, with its Circassian walnut paneled walls and gas-lit mahogany bar, where George and Barbara Bush dined in 1992.

From pre-event coordination to wedding cakes, floral creations to memorable farewells, trust the Historic Holly Hotel to simplify your planning and make your wedding day everything you have ever dreamed.
