Treatment– ALL SKIN TYPES

Simply Lavender

This exquisite facial has just the right touch of lavender to be soothing and revitalizing. It is great for all skin types, even the most sensitive. We incorporate gentle enzymes to smooth and polish your skin. Lavender has been used for centuries to treat headaches and insomnia. It is a wound healer and is antibiotic, antibacterial and antiviral. Includes a hand and foot massage with warmed lavender oil and hot towels.

Pretty Sublime

You'll fall in love with our aromatic lime oil from the West Indies. It banishes anxiety and clears breakouts. It is an astringent and tonic for the skin and also relieves pain in muscles and joints. We combine it with pure extra virgin coconut oil for an unforgettable experience. This can be customized for all skin types but is especially good for combination, normal, oily and acne prone skin. Includes a hand and foot massage.

Please note that you may add the following items to your facial treatment:

Extractions \$15

LED Light and/or dermafilng \$20

Microcurrent \$20

Adding any of these items will extend your facial to 90 minutes.

Orange Blossom

Facial

Irresistible sweet floral and citrus notes relax the body and mind with our Vitamin C infusion Facial. Vitamin C has been known to promote collagen production and increases antioxidants in the skin. Neroli oil has been known to dissolve nervous tension and help dermatitis. Includes exfoliation, and massage of hands and feet.

Lemon Drop

Fresh, crisp scents of Lemongrass and Lemon oil will lift your spirit while acting as a tonic and anti-septic on your skin. Lemons also have brightening and lighting effects on the skin and have been used for medicinal purposes such as; infections, headaches and sore throats. Hot towels wrap the feet in a cocoon of warmth while massaging fragrant lemon cream into your hands and feet.
