refreshments and light bites

“We are all of us stars, and we deserve to twinkle.”

Captivating international audiences with her charming personality and graceful cinematic performances, Marilyn Monroe's timeless beauty and charisma are the inspiration behind the chic and contemporary Marilyn Monroe™ Café.

The café is designed to be a place Marilyn would be comfortable in, not a shrine, featuring a relaxed but elevated design experience with lush menu options.

Committed to bettering the environment, Marilyn Monroe™ Café uses beverage containers from compostable and post-consumer recycled materials and serves certified organic coffee.

Sustainability

Our espresso is created with only Organic and Fair Trade coffee from select regions of Central America, Indonesia and Northern Africa. Organic coffees are grown in nutrient-rich soil conditions and harvested without the use of pesticides, hormone treatments, steroids or other harmful chemicals.

Our espresso and decaf coffees are approved by the Fair Trade certification program, which adheres to a number of social and environmental requirements, such as ecosystem conservation, wildlife protection and dignified working conditions.
