Our Story

When our founder moved to Austin from Pennsylvania in 1980, he brought with him a desire to serve great food in a place where everyone was treated like family. When he started serving Philly's favorite sandwich with a Texas twist - he realized he had captured the perfect blend of Texas and Philadelphia - and by combining the two, a legend was born. We've opened a few more restaurants and added some great new items to the menu since then, but we've never wavered from the passion, quality and commitment to a truly unique experience that has been a part of Texadelphia from day one.

WE HOPE YOU ENJOY!
