

Epona Farms Testimonials

“I can not say enough great things about my daughter's time spent at Epona Farms...It is not just a horse lesson for her it is a way of life. Throughout the years my daughter has learned patience, responsibility and the importance of following directions! Catriona, the owner, has showed my daughter how to take care and prepare the horse for riding. If you are looking for a true horse lover to teach your child or yourself the skills for horse riding Epona Farms is the place to go!” – **Angela H.**

“My daughters (3) have all taken many a lesson at Epona Farms, and my youngest started out with the Pee Wee Pony School. She is now 11 years old and all she can think about are her weekly excursions out at the ranch spending all day Saturdays riding, helping to clean and just simply hanging out with her riding friends. In the spring/and summer she rides during the week as well.” – **Paula S.**

“Epona Farms rescues horses, and teaches the horses to work in the lesson programs. Instructors understand the struggles that the rider may be having and tries to work with them. If you do not own riding gear, they'll provide it for you. They try to match you with a good horse for your riding ability. I strongly recommend Epona Farms.” – **Tori T.**

“Thank you for providing our kids with the memorable experience of horseback riding at your farm. They had a wonderful time and have not stopped talking about it! A gift like this directly helps WIND Youth Services meet the needs and improve the lives of the children in our programs, and we look forward to working with you in the future.” – **Ellyne B.**
