### **To Our Customers...**

“ We are not a “fast food” restaurant. Each order is prepared individually, so please be patient. I am very proud of Arnold's Drive-In and the special way we do things! None of this could have happened without the support of the community, old and new friends, and especially the patience and understanding of my two children, Kaley and Max! Come on in, sit for a while, and enjoy your “blast to into the past”!!! -Lori
