

## SKIN CARE PRODUCT LINES

Environ skin care products have been formulated to combat and relieve the harmful effects of the harsh climatic changes of today's environment and combat the effects of the stress caused by modern day life.

NIA24 is a patented MicroNutrient Delivery system that taps into the skin's own self protective powers 24-hours a day.

## PRICE LIST

### ACNE DETOX TREATMENT

This is a healing and purifying clinical treatment that promotes clear radiant skin. This detoxifying treatment with its strong antibacterial action and sparking acne spot treatment will assist in killing bacteria. The treatment is followed by a soothing serum and mask. **60 minutes**

**\$85.00**

### EUROPEAN FACIAL- CLASSIC

This treatment includes a skin analysis, steam treatment, cleansing, exfoliation, facial massage, removal of impurities, customized masque and hand massage. You will leave relaxed, healthier and your skin will glow. **60 minutes**

**\$75.00**

### EUROPEAN FACIAL-DF

Same treatment as above including Iontophoresis (electrical current) and Sonophoresis (ultrasound). Products are penetrated with an electrical current and sound waves transport vitamin molecules through the skin. You will notice your skin looks and feels younger. **90 Minutes**

**\$125.00**

### DF TREATMENT IONTOPHORESIS & SONOPHORESIS

This treatment can be used on large surface areas such as the face and neck. Electrical current facilitates product penetration into the skin. Sonophoresis is used on limited areas such as the upper lip and the concentration of character lines around the eyes, on scar tissue and on pigmentation marks. Facial and intense moisture treatments are also given for ultra results. **60 Minutes**

**\$125.00**  
FOR 1  
**\$600.00**  
FOR 10  
**\$1100.00**  
FOR 20

### VITAMIN C FACIAL TREATMENT

Your skin receives the benefits of Vitamin C facial and essential oils through a soothing massage in conjunction with sonophoresis. Concentrating on fine lines and hyperpigmentation areas. **60 Minutes**

**\$105.00**

### GENTLEMEN'S DE-STRESS AGE-DEFYING TREATMENT

This experience begins with a pre-relaxation scalp and upper shoulder massage. Skin is then cleaned and pores are deep cleaned. A superb age-defying topical is then penetrated followed by a customized mask. **60 minutes**

**\$85.00**

### WAXING SERVICES

Essential wax is soothing and natural to touch your skin. Areas available for wax are the lip, face, eyebrows, underarms, arms, backs, and bikini lines.
