POMEGRANATE EMPRESS

Three Olives Pomegranate Vodka mixed with Sake and a house-made Pomegranate Reduction. Garnished with a twist of orange for an Empress touch.

BONE KRUSHER

This martini already has a bad reputation for being so good. Famous drink made with gin, ever-so-slightly sweetened lemon juice and Chambord. A favorite of the "rockers".

MAJITA SAN

A Mojito, but so much better. Bacardi Rum, fresh basil and fresh squeezed lemon juice. Masterfully muddled by a "Majita San Zen Master" w/ just a touch of sugar.

COOL GEISHA

Clean, crisp, bright and so refined. The sublime elderflower of St. Germain mixed with Hendricks gin and sparkled up with Cava and a splash of soda and crisp slices of cucumbers. You live for summer but not the sweet cocktails? This is your drink.
