# Welcome to King Carter Golf Club!

This 18-hole championship golf course features a great variety of skillfully sculpted holes that offer multiple risk-reward opportunities and create a most enjoyable golf experience. The beautifully maintained par 71 layout was designed in "old world" classic style, enhanced by natural woods, glistening ponds and even a glimpse of our vineyards. The front nine flows naturally across open space with the native grasses, artistic bunkers and ponds creating the bulk of the challenge along with wind that can whip in from the nearby Rappahannock River. Meandering in and out of woods lush with mountain laurel, the back nine optimizes the natural contours of dramatic elevation changes.

Choose from five sets of tees, ranging from 6,818 yards from the Championship tees to 2,099 yards from the family tees to create your own level of challenge. King Carter Golf Club also features the Northern Neck's finest practice facility, complete with twenty station tee, uneven lie terrain, short game area and practice green.

*Spectacular... Come Play!*
