

welcome

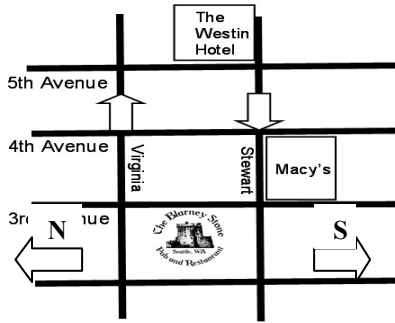

*Located between Bell Town and Downtown, we have created our own little piece of Ireland. With great Irish food, beer and spirits combined with pool tables and steel-tipped darts we are a neighborhood meeting place and a home away from home for the traveler.*

*Keeping with the deep, rich, earth tones of Ireland we have added some of the conveniences of today with wireless internet available, wide screen TVs and a juke box that downloads from the internet. An outdoor patio and a pint of Guinness, make our Irish Pub a home.*

*Whether it be Ale, Wine or Spirits, please join us for a "wee gargle", a game of pool or just some friendly conversation.*
