before you eat

All Nando's chickens are
marinated for 24 hours
in our secret sauce until the
flavour goes right through to
the bone. They're then
flame-grilled and basted in
your choice of Nando's
Peri-Peri sauce.
The result is ultimate
perfection!

Items marked with the 🍷 symbol are made
using our special Nando's mayonnaise.

Because all of our chickens are marinated
(including our chicken strips),
you may detect some spice, even if you go for 'plain'.

E&OE. While every care is taken to ensure that our
menu is accurate, prices and menu items are
subject to change without notice. Please be aware
that there may be traces of nuts in our products.
Service charge is not included.

Many centuries ago
our Portuguese forefathers
set sail for new lands. After months
on the high seas they were called
ashore by the winds of East Africa.
Here they were introduced to the
fiery little African Bird's Eye Chilli
which we now know as Peri-Peri.

A spice like no other, it put
fire in their bellies and
ignited passion in their hearts!
To this chilli they added a handful
of herbs, a squeeze of fresh
lemon and a touch of garlic.
Their love for life, friends, fun
and good food had created
the first Gosto Delicioso
(great taste)
of Peri-Peri sauce.

Today our own recipe
remains a closely-guarded
secret. But what's no secret
is that the traditions of
hospitality, friendship
and simple family pleasures
that our forefathers lived by,
are ones that we still
happily share! They are,
after all, the inspiration
for our restaurants.

Bom proveito!
(enjoy your meal!)

Our Promise

My father taught me
that nothing is more
important than
keeping your
promise.

The Nando's Escudo
is a symbol of my
promise to give you the
excellent quality
and flavour
that you expect from
Nando's.

The cover for this menu was
designed by Christo Kruger as part
of our ongoing work with artists and
crafters from all over the world.

We asked Christo to create
something unique that he thought
best represented the essence of
Peri-Peri, and you are holding the
results in your hands.
We love what he's created and
hope you're as inspired by it
as we are.

If you would like to find out more about
Christo Kruger, or see some of the other projects in
the Nando's Worldwide Art Initiative,

Peri-Peri is believed to release millions of
endorphins making people high on life.
The result is a better world full of
happy people!
